Subject: Agency Regulatory Plan - Treasure Coast Regional Planning Council

Dear Mr. Plante:

Thank you for your letter of October 20, 2015 indicating a need for a new agency regulatory plan due to a recent amendment to Section 120.74, Florida Statutes. The required elements of the plan for Treasure Coast Regional Planning Council are as follows:

- a. No laws were enacted or amended during the previous 12 months.
- b. No new laws are expected to be implemented by rulemaking before the following July 1.
- c. There is no desired update to the prior year's regulatory plan.
- d. The Council Chairman, Executive Director, and Council Attorney certify that they have reviewed this plan and the agency regularly reviews all of its rules. The existing rules were most recently reviewed in association with preparation of this report. The existing rules were determined to remain consistent with the agency's rulemaking authority and the laws implemented.
