

SEA-LEVEL RISE AND FLOODING: PLANNING & LAW FOR LOCAL GOVERNMENTS

NOVEMBER 16, 2017

This workshop will

- Showcase regional challenges and responses in reducing flood risk, evaluating vulnerability, and planning for flooding and sea-level rise
- Highlight infrastructure and financial challenges as part of responses
- Examine key legal issues and potential responses including cases and liability
- Discuss state law requiring planning for flooding and sea-level rise and case studies of compliance
- Provide a forum for interaction with presenters and other attendees
