

TREASURE COAST REGIONAL PLANNING COUNCIL

MEMORANDUM

To: Council Members

AGENDA ITEM 5

From: Staff

Date: May 18, 2018 Council Meeting

Subject: Presentation on Communities For A Lifetime

Introduction

Tracey Aittama, Program Manager of Communities for a Lifetime for the Florida Bureau of Elder Rights, and Terry Elder, Associate State Director with the American Association of Retired Persons (AARP), will be making a joint presentation to Council on initiatives related to the design of communities suitable for residents of diverse ages.

Background and Analysis

The Florida Department of Elder Affairs has a program called Communities for a Lifetime, which aims to make communities a safe and nurturing place for people of all ages, especially older adults. Similarly, the AARP has a program called Livable Communities with similar goals. The presentations will describe both programs and the key features that make communities a better place to live for all.
