Dear Mr. Reininger:

Subject: Workshop Request - All Aboard Florida

The City of Palm Beach Gardens would like to extend a personal invitation to you to attend a workshop regarding the All Aboard Florida project as it relates to our City. It is our hope that you, along with the appropriate staff, will attend a workshop and offer explanation to the implementation process of the All Aboard Florida project, as well as the specific impacts it will have on City operations, its residents, and its businesses.

Although your response* to the City's letter is appreciated, it did not clearly answer the questions and concerns listed in the nineteen (19) bullet points that were provided to you in the letter dated November 20, 2014**. Thus, at the January 8, 2015, City Council meeting, the Mayor and Council instructed staff to schedule a workshop in which the City will hopefully obtain more clear and direct answers from All Aboard Florida.

At your earliest convenience, please confirm what date for a workshop will work best for you:

- February 18, 2015 (Wednesday)
- February 19, 2015 (Thursday)
- February 25, 2015 (Wednesday)
- February 26, 2015 (Thursday)

The City thanks you in advance for your response.

Sincerely,

Ronald M. Ferris
City Manager
