Mr. Michael Reininger, President
All Aboard Florida
2855 Le Jeune Road, 4th Floor
Coral Gables, FL 33134

Dear Mr. Reininger:

This letter is to again restate that All Aboard Florida is not receiving any state funding.

A July 12 news story by Matt Dixon of the Naples Daily News reported that your “company planning documents” showed you “could directly request an additional \$44 million in state grants.” However, as we have previously discussed with your company, the department will not invest state dollars in your project.

As outlined in our previous correspondence with you, we suggest you commit as much time as possible to getting public comment, input and feedback to ensure your project has the upmost benefit to our state.

Sincerely,

Ananth Prasad, P.E.
Secretary
